Mrs. Claus Don't worry boys, he loves to play jokes this time of year ... he gets a kick out of seeing how big your eyes get. Just be glad you're not a reindeer.

Rudolph Reindeer I'll second that. You should have been here when he put our feed bucket on the wood stove. Popcorn city. Dasher jumped so high he tore a hole in the roof. The fat man nearly peed himself.

Riley Borsch ► Santa Claus Um, so would love if we could just confirm the whole nice list thing.

Santa Claus ► Riley Borsch Fear not ... you and Kylen are both great kids. Now that dog of yours, Sasha, her I'm not so sure about. Good heart, bad manners. Who eats Christmas light extension cords? You think my reindeer can find your house in the dark?

Santa Claus

Santa took the quiz: Which Cookie Are You Most Like? With the answer: Chocolate Chip.

You're kind, and prone to fits of giddy laughter. Life is sweet for you, and you can just never get enough of a good thing.
